

THE PETS BERRY BOARD GAME

OFFICIAL SHORT GAME RULES

1. Each player starts with 50,000 cash, a Level 2 (fish) pet store, and an employee. Take Eric Williams, Tom Frantz, and Star Moon out of the deck. Distribute one of them to each player and return the remaining cards to the deck. If you have four players, you also will need to use Timothy Dudley. Give Dudley expertise in fish and increase his salary to \$1,000.
2. Start the image marker on the green top left-hand space above your door. This is the fourth space on the "Good" (green) image track.
3. Each player may only air two negative (slander) advertisements during the entire game. If a player attempts to air a slander ad and it is stopped in court, the attempt will not count towards the limit.
4. Everything else remains the same.
